Your Family Can Save with the Sprint Credit Union Member Discount

Sports equipment, college savings, movies, and more ... It can be expensive to be a parent these days. Why not save where you can and get a break on your family's monthly data service with the Sprint Credit Union Member Discount. Just for being a member, your family can save these ways:

- Get a **10% discount** on select regularly priced Sprint monthly data service
- Have your **activation fee on new lines waived** (\$36 savings)
- Have your **upgrade fee waived** (\$36 savings)
- Mention **Corporate ID: NACUC_ZZM**

Member Verification

To keep saving with Sprint, you need to verify your credit union membership. There are four ways to do it:

1. The free Love My Credit Union Rewards app for Android and/or iPhone.
 - Find the app by searching for "Love My Credit Union Rewards"
 - The app will prompt you to black out all confidential information on your documents
2. Fill out and fax the Sprint Verification Form (available online at LoveMyCreditUnion.org/Sprint) and supporting documents to the Sprint Corporate Accounts: 913.523.1987 or toll free: 877.687.8211.
3. Visit www.Sprint.com/verify from a mobile device.
4. Sign up for Sprint's AutoPay using your credit union checking account or credit union debit/credit card: <http://www.sprint.com/>.

With everything you're already paying for, the Sprint Credit Union Member Discount offers you some savings! Visit LoveMyCreditUnion.org/Sprint to learn more today.

*Application of discount requires 2-year contract extension on existing plans. Verification of membership is required at time of activation/upgrade. Discount not available on secondary lines for Family and Business Share plans. All rights reserved. Sprint, the logo, and other trademarks are the trademarks of Sprint Nextel.

New EMV Cards Coming Soon!

If you have a JCFCU debit card, your current card will be replaced by our new EMV chip card. Watch your mailbox for your new card to arrive by the end of the year. The chip holds information that is encrypted, making it extremely difficult for the card to be copied or counterfeited. Rather than swiping your card, you insert the chip card into an EMV-compatible terminal.
