Official Notice To All Members Board Of Directors Election Procedure

A Community Credit Union

The Nominating Committee:

In accordance with the credit union bylaws (Article V, Section 1) the Chairman of the Board will appoint a nominating committee of not fewer than three members. Board Chairman William Eskridge has made the following appointments: Ed Davis - Chairman, Gary Fischer, and Josh Jackson.

Nominations by the Nominating Committee:

As directed by the credit union by laws (Article V, Section 1) it is the duty of the nominating committee to nominate at least one member for each vacancy, including any unexpired term vacancy, for which elections are being held, and to determine that the members nominated are agreeable to the placing of their names in nomination and will accept office if elected.

The Committee nominates the following for a three (3) year term:

William Eskridge, Barbara Hays and Steve Schweitzer.

Nominations by Petition Procedure:

In addition to candidates nominated by the Nominating Committee, qualified members may be nominated by petition. The petition must nominate a member and include a written description of their qualifications and must be signed by the nominee and signed by 1% of the members with a minimum of 20 and a maximum of 500. The petition forms must be on credit union forms and are available at the main office during regular business hours. Any signed petitions must be received by the credit union's secretary or President prior to close of business February 1, 2019 at 9600 Ormsby Station Road, Louisville, KY 40223. A letter signed by the candidate certifying a willingness to serve for the term for which the member is being nominated must accompany the petition.

Election Procedure:

Article V, Section 2 states that all persons nominated by either the nominating committee or by petition must be placed before the members. All elections are determined by plurality vote and will be by ballot except where there is only one nominee for each position to be filled. When only one nominee is nominated for each position to be filled, the chair may take a voice vote or declare each nominee elected by general consent or acclamation at the Annual Meeting. Nominations cannot be made from the floor unless insufficient nominations have been made by the nominating committee or by petition to provide for one nominee for each position to be filled or circumstances prevent the candidacy of the one nominee for a position to be filled. Only those positions without a nominee are subject to nominations from the floor.

Qualifications For Holding Office, Signing Petitions and Voting at the Annual Meeting:

In order for any member to run for an elected office of the credit union, or be eligible to vote or sign petitions, that member must comply with all bylaws and regulations governing the credit union including but not limited to the following: A member proposed to hold office must be at least eighteen (18) years of age, in good standing with the credit union, (good standing is defined as being current on all obligations, eligible for loans, share drafts and all controlled services that are offered by the credit union), cannot be an employee of the credit union or a former employee in the past two (2) years, or an immediate family member of an employee, former employee or official (as defined in the personnel policy, Section V, G, 2). Voting members must be a member in good standing, at least sixteen (16) years of age, have valid picture identification and must be present. Members that have not attained the age of majority wishing to vote that do not possess the aforementioned identification must be accompanied by an adult member of the credit union. Applications for membership will not be accepted for the purpose of voting at the Annual Meeting or for holding office after the close of business on Friday, April 26, 2019. Associations, corporations or lodges must have a resolution for voting purposes. The resolution must designate the individual authorized to cast the vote for the organization. A parliamentarian appointed by the Chairman shall address all questions involving disputes according to the principles of Robert's Rules of Order and the bylaws, rules and regulations of the credit union and all governing bodies. A member of the credit union who indicates that he/she is qualified to run for office and is elected, and shall later prove to be unqualified, will be referred to the Supervisory Committee for determination of suitability, and/or removal from office under the terms that govern the credit union.
